C-900 PANNIERS

Many bicycle riders are discovering the joys of touring light. By trimming down their loads, and carrying fewer non-essentials, they are rediscovering the pleasure of touring on a responsive, well balanced bicycle.

The newest member of the popular KIRTLAND/TOURPAK C-Series, the C-900 Pannier, is designed for this rider. Sized in between the S/T-2 and C-600 Panniers, the C-900 is very affordable, lightweight and compact, yet large enough for a well planned coast to coast tour.

The C-900 has all the features which have made the C-Series Panniers so popular.

- Modified Elite style suspension system in a lightweight format including stainless steel hooks and twin spring suspension with the exclusive Tension Equalizer for precise mounting and stable ride.
- Precision die cut aluminum stiffeners; incredibly strong yet lightweight.
- Low center of gravity for better balance and load control.
- Convenient top perimeter zippered opening with 2 sliders on the main compartment.
- 2 extra-large side pockets and two rear pockets to keep more necessities within easy reach.
- 2 interior envelope pockets to separate maps and important documents.
- Convenient carrying handle.
- Panniers snap together and stand up when off the bicycle to convert to convenient luggage.
- 38 oz.
- 1780 cu. in.
- 11½" x 11½" x 5"
- Available in Navy Blue, Red and Bright Yellow.

LIFETIME LIMITED WARRANTY

All KIRTLAND/TOURPAK products are covered by our Lifetime Limited Warranty. This warranty is proudly displayed with all products. A copy of the warranty is also available from your KIRTLAND/TOURPAK dealer or directly from the factory.

FASPAKTM FAST, FUNCTIONAL, STABLE

Many sport cyclists don't want to "load down" their bicycles, but need a functional pack to carry all weather gear, extra munchies, a spare tire, wallet and keys. In addition, an efficient, uncluttered bicycle demands a unique pack which must have the convenience of a touring bag with the performance of no-nonsense racing gear.

What is the answer for carrying this extra gear? The FASPAK,

KIRTLAND'S high performance under seat sport pack.

Engineered to mount under and behind the seat, the innovative wedge shaped FASPAK follows the contour of the seat, eliminating leg interference. Designed for quick mounting and exceptionally stable ride, the unique multipoint suspension holds the pack firmly in place, even during hard standup acceleration.

FASPAK 80TM UNDER SEAT SPORT PACK

A compact tire sock with clean, functional design.

- Holds two lightweight tubulars or one spare and assorted tools.
- Exterior zip pocket for quick access to wallet/keys.
- Nylon web seat rail mounting strap and Velcro seat post fastener for secure ride.
- 2 oz.
- 80 cu. in.
- 2 1/4" x 5" x 8 1/4"

FASPAK 290TM UNDER SEAT SPORT PACK

Much more than just a high performance under seat bag, the FASPAK 290 is the perfect size and volume for use as an adventure ride support pack.
