

# Hine Family Handwritten Birth, Marriage, and Death Records

Digitized by Edward K. Hine Jr. ("Ted") – February 2018

The following 4 pages contain handwritten Birth, Marriage, and Death dates starting with Nobel Hine (1744-1796) but mostly for apparently the descendants of his son Homer Hine (1776-1856) who relocated from New Milford, CT to Youngstown, OH in the very early 1800's. Most of the entries are thus for Homer's family and descendants from the early 1800's to the late 1800's (and a few deaths in the early 1900's).

The source is unknown however there is a notation on one page reading "This is what was in the Bible" suggesting that either these pages were part of a family Bible or stored and found with a family Bible.
